Nettoyage et tonifiant

For daily gentle cleansing, toning
and preparation of the skin for active
cosmeceutical care

Proper daily cleansing of the skin is essential to maintain it healthy, young and beautiful. The NETTOYAGE ET TONIFIANT line products gently and effectively remove all impurities, decorative cosmetics and keratinized cells. They help restore the skin's natural moisture, softness and tone, as well as detoxify and balance the sebaceous glands. With Linda Kristel cleansers, toners and lotions, your skin will become truly fresh and have a healthy glow.

MOUSSE NETTOYANTE HYDRATANTE DOUCE

CLEANSING MOISTURIZING MOUSSE

For normal, dry and sensitive skin

Action:

- cleanses the skin of all kinds of impurities

Biologic renovation

For intensive skin rejuvenation
at the cellular level

BIOLOGIC RENOVATION cosmeceuticals contain highly effective combinations of peptides with botox effect and peptides activating the synthesis of elastin and collagen, as well as phytoestrogen-rich vegetable extracts, vitamins and valuable oils. These products help renew skin cells and fibers, enhance metabolic and energy processes. They prevent the formation of wrinkles, including expression lines, contribute to their smoothing and increase skin elasticity and evenness. The BIOLOGIC RENOVATION line products prevent aging and rejuvenate the skin at the cellular level.

BIOLOGIC RENOVATION line active components

Peptides with botox effect:
Syn-Ake, Calmosensine, Vialox;
Palmitoil oligopeptide - activator
of collagen and elastin synthesis; Rigin
peptide strengthening skin immunity;
extracts of sausage tree (*Kigelia
africana*) and quillaia
(*Quillaja saponaria*).

RENOVATION SÈRUM

RENOVATION PEPTIDE SERUM

With botox effect

Action:

- reduces fine lines and wrinkles, including expression lines
- improves skin firmness and elasticity

Active ingredients:

complex of peptides with botox effect; Palmitoil oligopeptide - activator of collagen and elastin synthesis; Rigin peptide strengthening skin immunity; extracts: Kigelia africana, Quillaja saponaria, Piper methysticum.

How to Use:

- After cleansing your skin with LK mousse or milk and toning it, distribute 1-2 drops of Renovation peptide serum evenly over your face, paying special attention to the areas of expression lines.
- Then apply a portion of your favorite Linda Kristel cream, after mixing it on your palm with 1-3 drops of Linda Kristel active serum selected by your cosmetologist.

- Use in the morning and/or evening.

REF 0119 15 ML

Serum speciale

Active serums are healing drops for the health, youth and beauty of your skin. These are unique products with the highest concentration of active ingredients

Active serums, created for customized cosmeceutical care, can enhance the current properties of Linda Kristel products or give them new additional benefits.

A wide range of active serums help to solve different aesthetic problems: improve skin elasticity, smooth fine lines and wrinkles, reduce redness, rosacea and inflammation, soothe, soften and moisturize the skin, accelerate healing after exposure to aggressive influences, fight premature aging and the damaging effects of free radicals. Just 2-3 drops of the appropriate active serum, applied to the skin or added to Linda Kristel cream, emulsion or mask, will make your care amazingly effective.

Il corpo bello

A line of products that will make your aspirations for a slim body and a young and beautiful skin come true

Il corpo bello products contain balanced, highly effective combinations of active ingredients to correct aesthetic flaws in the skin of the body. Plant extracts with vessel strengthening, venotonic, lymphatic drainage and lipolytic effects even out the skin surface, reduce swelling and volume, smooth the skin texture in the areas with cellulite symptoms.

- Peptide activating the synthesis of elastin, collagen and elastin hydrolyzates, and plant extracts rich in phytoestrogens strengthen the skin, increase its firmness and elasticity, as well as improve the shape of the bust.
- The compositions of essential oils give a powerful detox effect, improve metabolism, tone the skin and restore psychological and emotional balance.
- Valuable plant oils soften, regenerate and moisturize the skin, saturating it with omega-3 fatty acids, vitamins and antioxidants.

GOMMAGE FLAMANT
